

Christian Faith Ministries

Mission Station Sponsor

Dear Sponsor Name

Thank you for sponsoring Missionary Name
who works at the Mission Station

We fill in Missions area here: Details of the field and the work you are sponsoring. The box below will contain a photo of the mission.

Please continue to pray for the mission. If you would like information about progress at this station please email us for the latest news and we will be happy to keep you up to date. If you would like to visit at one point in the future we would be happy to organise that also.

These are some of the items that help many mission stations. If you would like to provide one of these please contact us and ask about which one would be best suited: land, building, video or sound equipment, motor cycle, rent for family, fuel.

Mission stations reach Muslims and pagans in very poor and cut off areas, often where the gospel has not reached at all. God makes many rich in the knowledge of Jesus Christ. Thank you for being a part. "How shall they preach unless they are sent?" One team, one gospel, one mission to all...

Love from all at Jos
